HIRE RATES

Studio Hire

| | |
|---------------|-------|
| Half Day (4h) | £50 |
| Full Day (8h) | £100 |
| 5 Days | £450 |
| 7 Days | £600 |
| 10 Days | £850 |
| 14 Days | £1200 |

Studio Hire w/ Experienced Engineer

| | |
|---------------|-------|
| Half Day (4h) | £90 |
| Full Day (8h) | £180 |
| 5 Days | £700 |
| 7 Days | £950 |
| 10 Days | £1350 |
| 14 Days | £1700 |

Choose exactly what you need to suit your project and budget; whether you're just looking to get down ideas or you want the space and facilities to record but prefer a 3rd party to mix & master.

Studio Hire comes with Connor and/or Josh (In-House Team) who'll get you set & mic'd up, sounding great and recorded.

We understand that you may be looking for advanced techniques more suited to experienced engineers. If you don't have someone already in mind, we can take away the legwork and bring in an experienced engineer (Eddie or Tom) to help guide and craft your music the way you want it to be heard.

Our standard times for Studio Hire – Half Day are 8:30am-12:30pm & 1:30pm-5:30pm; standard times for Studio Hire – Full Day is 8:30am-5:30pm with a 1 hour break at 12:30pm (for custom time slots please contact us).

STANDARD SERVICES

Audio

| | |
|--------------|---------|
| Mixing | £80.00 |
| Mastering | £40.00 |
| Mix & Master | £100.00 |

Video

| | |
|-----------------------------------|---------|
| Filming - Raw 4K Multicam Footage | £75.00 |

Whether it's recorded at Woodley Moss, another studio or your bedroom!

We offer the ability to mix your songs with high-end recording hardware & software; we'll remove the pressure when it comes to making your recordings stand up against commercial productions. We offer 1 revision with every song and the ability to choose who you want to mix &/or master your track.

Once your song is mixed our mastering services ensure it translates and sounds just as good on one audio device as another and meets the specs/requirements of music platforms like Spotify, Apple Music, Amazon Music & YouTube.

If you hiring the studio or looking for visuals. We can film your session and provide you with unedited 4K footage from our cameras or – if you're looking for a final product – we can create a professionally edited video so that you have great visuals to accompany your music.

Live-streaming has become incredibly popular in the current age, it's an amazing way to captivate and reach new audiences. Now, with the ability to easily create ticketed live-stream events, it's also become a great source of income for independent artists.

Livestream directly from our studio using professional recording equipment. With a multi-cam setup, professional lighting rig and personal headphone mixes; we're equipped for all performance types.

Stream to the social media platform of your choice and engage with your fans, giving them an amazing audio & visual experience. Reach bigger audiences whilst capturing your performance forever.

Post-performance, we can professionally mix and master your recording and provide uncompressed 1080p HD footage. So that you can promote your music even further - or make it accessible to fans as a thank you for watching or purchasing a ticket for your livestream - so that they can re-listen and watch you perform live-versions of their favourite songs in even better detail.

LOCATION

We're based in Normanby, Scunthorpe, North Lincolnshire; a small, secluded village just outside of Scunthorpe. A 10 minute drive from the M181, we're surrounded by beautiful scenery and isolated from the noise and hustle of everyday life.
